ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

JUNE 2, 2009

Sachi A. Hamai
SACHI A. HAMAI
EXECUTIVE OFFICER

Dear Supervisors:

**AWARD OF CONTRACT FOR ENVIRONMENTAL PROMOTIONAL CAMPAIGN
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

SUBJECT

This action is to award a contract for services to redesign the 888CleanLA website where residents and businesses can obtain information about various environmental programs (such as Household Hazardous Waste Collections, Smart Gardening Workshops, and Waste Tire Recycling) and to develop and implement a comprehensive promotional and marketing campaign for the 1-888-CLEANLA hotline and both the 888CleanLA and LACoMAX websites.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Award the contract for Environmental Promotional Campaign in a sum not to exceed \$495,200 to Pacific Municipal Consultants, Inc., located in Rancho Cordova, California, with a local office in the City of Torrance. This contract will be for a term of two years commencing upon your Board's approval.
2. Authorize the Director of Public Works or her designee to increase the contract amount up to an additional 10 percent of the contract sum for unforeseen additional work within the scope of the contract, if required.
3. Authorize the Director of Public Works or her designee to execute the contract; to approve and execute amendments to incorporate necessary changes within the scope of work; and to suspend work if, in the opinion of

the Director of Public Works, it is in the best interest of the County to do so.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to award a contract for services to redesign the 888CleanLA website and to develop and implement a comprehensive promotional and marketing campaign for the 1-888-CLEANLA hotline and both the 888CleanLA and LACoMAX websites. The websites and hotline provide the public with valuable information about the many environmental programs offered by the Department of Public Works (Public Works) such as Household Hazardous Waste Collection Events, Smart Gardening Workshops, and Waste Tire Collection Events. The work to be performed will also involve promoting the principles of reducing, reusing, recycling, and encouraging the usage of the hotline and websites. The campaign's audience includes residents, businesses, nonprofit organizations, schools, and city recycling coordinators in the County of Los Angeles.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provision of Operational Effectiveness (Goal 1) and Community and Municipal Services (Goal 3). The contractor who has the specialized expertise in providing these services accurately, efficiently, timely, and in a responsive manner will support Public Works in meeting these goals.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund. The contract is for an amount not to exceed \$495,200 plus 10 percent for any additional work within the scope of the contract for the two-year term. This amount is based on the unit prices quoted by the contractor and our estimated utilization of the contractor's services.

Financing for a portion of the contract term and the 10 percent additional funding for contingencies are included in the Fiscal Year 2009-10 Proposed Solid Waste Management Fund Budget. Funds to finance the remaining contract term and the 10 percent additional funding for contingencies will be requested through the annual budget process.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The contract will be in the form previously reviewed and approved by County Counsel (Attachment A). Prior to the Director of Public Works or her designee executing this contract, the contractor will sign and County Counsel will review it as to form. The recommended contract with Pacific Municipal Consultants, Inc., was solicited on an

open-competitive basis and is in accordance with applicable Federal, State, and County requirements. The contractor is in compliance with the Chief Executive Officer's and your Board's requirements.

This contract contains terms and conditions supporting your Board's ordinances, policies, and programs, including but not limited to: County's Greater Avenues for Independence and General Relief Opportunities for Work Programs (GAIN and GROW), Board Policy No. 5.050; Contract Language to Assist in Placement of Displaced County Workers, Board Policy No. 5.110; Reporting of Improper Solicitations, Board Policy No. 5.060; Notice to Contract Employees of Newborn Abandonment Law (Safely Surrendered Baby Law), Board Policy No. 5.135; Contractor Employee Jury Service Program, Los Angeles County Code, Chapter 2.203; Notice to Employees Regarding the Federal Earned Income Credit (Federal Income Tax Law, Internal Revenue Service Notice 1015); Contractor Responsibility and Debarment, Los Angeles County Code, Chapter 2.202; the Los Angeles County's Child Support Compliance Program, Los Angeles County Code, Chapter 2.200; and the standard Board-directed clauses that provide for contract termination or renegotiation.

Data regarding the proposers' minority participation is on file with Public Works. The contractor was selected upon final analysis and consideration without regard to race, creed, gender, or color.

The recommended contractor is Pacific Municipal Consultants, Inc. This contract will commence upon your Board's approval for a period of two years.

Proof of the required Comprehensive General and Automobile Liability insurance policies, naming the County as additional insured, and evidence of Workers' Compensation insurance will be obtained from the contractor before any work is assigned.

Pursuant to the applicable memorandum of understanding, the Request for Proposals (RFP) for these contracted services was submitted on December 23, 2008, to the appropriate union for review. The union has not asked to meet with Public Works regarding this solicitation.

Public Works has evaluated and determined that the Living Wage Program (Los Angeles County Code, Chapter 2.201) does not apply to this recommended contract, which is for services required on an as-needed, and intermittent basis; hence, this contract is not a Proposition A contract (Los Angeles County Code, Chapter 2.121).

ENVIRONMENTAL DOCUMENTATION

In accordance with Section 15378 of the California Environmental Quality Act (CEQA) Guidelines, approval of the recommended action does not constitute a project and, hence, is not subject to the requirements of CEQA.

CONTRACTING PROCESS

On December 23, 2008, Public Works solicited proposals from 600 independent contractors and community business enterprises to accomplish this work. Also, a notice of the RFP was placed on the County's bid website (Attachment B), and an advertisement was placed in the *Los Angeles Times*.

On January 28, 2008, seven proposals were received. The proposals were first reviewed to ensure they met the minimum requirements in the RFP. One proposal was disqualified for submitting a proposal subject to exceptions to the RFP's requirements. The remainder of the proposals having met these requirements were then evaluated by an evaluation committee consisting of Public Works staff and using an averaging methodology. The committee's evaluation was based on criteria described in the RFP, which included price, experience, work plan, financial resources and references. Based on this evaluation, it is recommended that this contract be awarded to the highest-rated, responsive, and responsible proposer, Pacific Municipal Consultants, Inc.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The award of this contract is for new services and will not result in the displacement of any County employees.
